

## COVID-19 HEALTH AND SOCIAL RESPONSIBILITY AGREEMENT FOR CAMPERS

Nova Soccer Camps is vested in your family's safety! Please read the camp guidelines we set forth as recommended by the Centers for Disease Control (CDC) & Pennsylvania Department of Health.

In times of restrictive social isolation "Stay Home, Stay Safe" programs, the very act of leaving home and attending the upcoming camp carries some inherent risk of SARS-COV-2 exposure, and the COVID-19 disease. We realize it is compulsory on our Staff to provide a safe and sanitary experience for our campers. We promise to make sure every guideline is followed by our staff throughout the week!

The simplest, most scientifically proven prevention methods to date for COVID-19 include:

- Social distancing.
- Minimizing extended interaction with other people.
- Avoid any close contact with people who are sick with COVID-19.
- Frequent hand washing or sanitizing for at least 20 seconds each time, especially before and after eating or touching the face or nose, putting on and taking off face masks or coverings, and necessary touching of others.
- Regular and frequent cleansing of high use surfaces.
- Wearing a facemask or cloth covering nose and mouth when outside your home or not on the playing field at all times to limit exposure to the virus from those around you.
